911's Priorities & Regulation

- E9-1-1 is regulated today – ANI/ALI/SR
- 9-1-1 Service Standards
- Qualified Access to E9-1-1 Network
- Interconnection Next Gen to Selective Routers
 - Nondiscriminatory Access
 - Point(s) of Interface
- Support between Legacy & Next Gen 9-1-1
 - Call Transfer with ALI
 - Default Routing
- Statewide IP Networks
- State Program Changes
- Requirements to Amend 9-1-1 Plans

Considerations

- Different Cost Recovery for TSP Access
- E911 Bill & Keep for ILECs – i.e. OH
- Subsidized E911 Tariff Rates – i.e. WV
- ILEC to ILEC agreements
- ILEC to Competitive E911 SP Agreements
- E911 Service Provider Competition
