

# Update on Smart Grid Information Clearinghouse

Lisa Schwartz

Presentation to NARUC/FERC Smart Response Collaborative

July 18, 2010

*The Regulatory Assistance Project*

---

China ♦ EU ♦ India ♦ United States

# Beta Version of Clearinghouse Is Live

Welcome to the beta site for the Smart Grid Information Clearinghouse. We expect to officially launch the site in Fall 2010.  
We welcome suggestions on the site's usability. Please submit your comment here.

# Projects, Technologies, Studies, Standards, Regulations & More

## Smart Grid Projects

The SGIC Project page archives both American Recovery and Reinvestment Act of 2009 (ARRA) funded projects, and other smart grid projects in the United States. Use the menu below to navigate through the ARRA and other projects.
